Funding

Business Success Group (BSG) is a Registered Training Organisation who has been contracted by the Department of Education and Training to deliver a range of vocational qualifications under the NSW Productivity Places Program (PPP) to existing workers.

The Productivity Places Program is part of the Commonwealth Government's Skilling Australia for the Future initiative. PPP in New South Wales is managed and administered by the NSW Department of Education and Training in partnership with the Commonwealth.

Course

This qualification reflects the role of individuals who use well-developed skills and a broad knowledge base in a wide variety of project contexts. They apply solutions to a defined range of unpredictable problems, and analyse and evaluate information from a variety of sources. They may provide leadership and guidance to others with some limited responsibility for the output of others.

Eligibility

To be eligible for enrolment under PPP, participants must:

- Not be enrolled in a secondary or tertiary educational institution
- Be an Australian citizen or permanent resident
- Be NSW residents and/or working in NSW

Participants may have previously undertaken or completed other training programs, as long as they are not currently involved with those programs and continue to meet all other participant eligibility requirements.

Fees

Under NSW Department of Education and Training funding arrangements for existing workers, BSG must charge and collect an annual student administration fee of \$934 per participant. All resources and course materials are included.

Note: Fees may be subject to minor periodic increases. Exemptions will apply to ATSI or disabled participants. BSG will provide further details on request.
